January 12, 1967

*To the Massachusetts Charitable
Mechanic Association
20 Providence Street
Boston, Massachusetts*

We have examined the balance sheet of the Massachusetts Charitable Mechanic Association as of December 31, 1966, and the related statements of income and expense and of funds for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

We submit the following report, including the financial exhibits and schedules listed in the foregoing table of contents.

GENERAL FUND:

CASH:

Cash of the General Fund was made up as follows at December 31, 1966:

Checking account, New England Merchants National Bank	\$ 4,749.70
Cash on hand	100.00
Savings bank account, Suffolk Franklin Savings Bank	35,237.27
Total	<u>\$40,086.97</u>

We received direct confirmation of all bank balances, commercial and savings, and reconciled balances reported with the amounts shown by the books at December 31, 1966. We traced all recorded receipts received during the year to a bank of deposit, and reconciled all cash disbursements in total with charges by the banks. We vouched checks and other evidences of withdrawals to the book records.

INVESTMENTS:

The securities of the General Fund were held in a safe deposit rental box at the New England Merchants National Bank. The securities were counted by us and were found to be in agreement with the records of the Association. Total investments of the General Fund are set forth in detail in Schedule A-1, and are summarized and compared below with investments at the beginning of the year:

	<i>Book Value</i> <i>December 31</i>		<i>Increase</i> <i>(Decrease)</i>
	<i>1966</i>	<i>1965</i>	
Bonds	\$ 36,314.10	\$ 37,474.52	(\$ 1,160.42)
Stocks	569,231.08	525,972.68	43,258.40
Deposits in savings banks	318,722.41	362,722.41	(44,000.00)
Totals	<u>\$924,267.59</u>	<u>\$926,169.61</u>	<u>(\$ 1,902.02)</u>

The net decrease of \$1,902.02 was due to a withdrawal of \$44,000 from a savings account which was principally used for the purchase of 500 shares of Caterpillar Tractor Co., 500 shares of Illinois Power Co. and other fractional shares. There was also one bond called in May, 1966.

The market value as compared with the book value of securities at the beginning and end of the year is shown below:

	<i>Book Value</i>	<i>Market Value</i>	<i>% Market to Book Value</i>
December 31, 1966:			
Bonds	\$ 36,314	\$ 33,250	91.6%
Stocks	<u>569,231</u>	<u>737,957</u>	129.6
Total securities	<u>\$605,545</u>	<u>\$771,207</u>	127.4%
December 31, 1965:			
Bonds	\$ 37,475	\$ 36,180	96.5%
Stocks	<u>525,973</u>	<u>796,012</u>	151.3
Total securities	<u>\$563,448</u>	<u>\$832,192</u>	147.7%

The rate of yield on investments, based on the average of the beginning and the end of the year book values, is shown below for the years 1966 and 1965:

	<i>1966</i>	<i>1965</i>
Bonds	5.4%	5.4%
Stocks	4.5	4.4
Savings bank balances (investment accounts)	4.6	4.6
Total Investments	4.6%	4.5%

We verified income from securities by checking to data in financial publications.

GENERAL FUND:

A summary of the changes in the General Fund for the year is shown in Exhibit A. The increase of \$6,314.84 in the Fund represented the excess of income over expense amounting to \$6,354.09 as shown in Exhibit B, less the net loss of \$39.25 on a bond called in May, 1966.

Details of income and expense for the year are shown in Exhibit B in comparison with the prior year. We vouched disbursements and checked all cancelled checks to the cash disbursements book. We also examined receipts from the recipients of benefits disbursed by the Committee on Relief.

In the comparative statement of income and expense of the General Fund, Exhibit B of this report, we have omitted from income the transfers from the Charity Fund for the Committee on Relief distributions, and omitted the distributions from expense. The distributions are instead shown directly as disbursements of the Charity Fund in Exhibit D. These distributions are properly Charity Fund items, but are, by custom, paid out from the General Fund after transfers for that purpose have been made from the Charity Fund.

SHATTUCK FUND:

INVESTMENTS:

The Massachusetts Hospital Life Insurance Company confirmed directly to us that as of December 31, 1966, they held 1,603.952 shares of Massachusetts Life Fund under trust No. 568 for the Shattuck Fund. The increase in the number of shares held represents the reinvestment of a capital gain dividend paid in March, 1966, amounting to \$725.74, invested at \$12.13 per share for 59.830 shares. Independent confirmation of the savings account at the Suffolk Franklin Savings Bank was also secured. The investments and the income thereon are detailed in Schedule A-3.

The market value of the Massachusetts Life Fund represented 246.6% of book value at December 31, 1966, as compared with 262.0% of book value at December 31, 1965.

CHARITY FUND:

Securities held in the Charity Fund, including the Charles R. McLean Fund, are held by the Boston Safe Deposit and Trust Company, custodian and collection agent, from whom we obtained a certified list as of December 31, 1966. They also certified to the deposits in savings banks and the cash balances as of that date.

There were no changes in securities shown in the periodic reports for the year. We verified all income shown in these reports by checking with data in financial publications. The investments and income thereon are detailed in Schedule A-4.

The market value in relation to the book value of securities at the beginning and end of the year is shown below:

	<i>Book Value</i>	<i>Market Value</i>	<i>% Market to Book Value</i>
December 31, 1966:			
Bonds	\$291,608	\$246,422	84.5%
Stocks	<u>100,793</u>	<u>174,925</u>	173.5
Total securities	<u>\$392,401</u>	<u>\$421,347</u>	107.4%
December 31, 1965:			
Bonds	\$291,831	\$253,958	87.0%
Stocks	<u>100,793</u>	<u>185,125</u>	183.7
Total securities	<u>\$392,624</u>	<u>\$439,083</u>	111.8%

We submit in Exhibit C, a comparative balance sheet of the Charity Fund at December 31, 1966 and 1965. We also show in Exhibit D, a comparative statement of receipts and disbursements of the funds unrestricted as to income for the years 1966 and 1965.

Schedule A-5 shows a recapitulation of the principal and income of the Charles R. McLean Fund from its inception to December 31, 1966.

GENERAL COMMENTS:

We examined minutes of meetings held during the year for all votes of a financial nature.

* * *

In our opinion, the accompanying statements present fairly the financial position of the Massachusetts Charitable Mechanic Association at December 31, 1966, and the results of its operations and changes in funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The Board of Government approved the recommendation of the Planning Committee and presented it to the Association in July.

The Board recommended to the Association three applicants for membership.

The Board considered at great length, the possibility of a location for a ladies' night but decided to postpone the event until a logical opportunity could be discussed.

It has also been discussed by the Board and is still under some consideration, the idea of an Association group trip.

At all meetings, the bills of account against the Association have been approved by the Finance Committee and submitted to the Board for its information and approval.

The Board of Government has held ten meetings with an average attendance of twelve.

BOARD OF GOVERNMENT

The report was by vote unanimously accepted to become a part of the annual records.

5. To act upon the report of the Committee on Finance, as read by Stewart P. Lynch.

FINANCE COMMITTEE REPORT

The Committee on Finance has held nine regular and one special meeting with an average attendance of four.

A representative of the Trust Department of the New England Merchants National Bank attended three meetings and representatives of Merrill Lynch, Pierce, Fenner & Smith, Inc. attended one.

In November, the Committee voted to use the advice and counsel of the investment firm of Merrill Lynch instead of that of the New England Merchants National Bank.

The only change in the portfolio of the General Funds was the additional five hundred shares of Caterpillar Tractor Company and five hundred shares of Illinois Power Company.

The Committee is presenting the Treasurer's Report at this meeting, the report of the accountant in full will be printed in the annual records.

All bills of account against the Association have been examined and approved by the Committee.

The Committee recommends an appropriation of \$35,000 for expenses for the year 1967.

COMMITTEE ON FINANCE

The report was by vote unanimously accepted and the recommendation adopted, both to become a part of the annual records.

6. To act upon the report of the Committee on Relief as read by Arthur Southall, Jr.:

REPORT OF THE COMMITTEE ON RELIEF

The Committee held nine meetings with an average attendance of seven.

Ten thousand three hundred and sixty-five dollars was expended for beneficiaries during the year.

Mr. Merton P. Ellis, Chairman of the Committee on Relief for twenty-five years died as did Mr. Albert Kreider who had served on the Committee for ten years.

In compliance with a request from the Association's firm of accountants, it was decided to change the method of dispersing funds to beneficiaries with all payments being made from the Association office.

Through the year, the Committee lost one and gained another beneficiary making a total at the year's end of ten.

The Committee recommends an appropriation of \$14,000 for the year 1967.

COMMITTEE ON RELIEF

The report was by vote unanimously accepted and recommendation adopted, both to be made a part of the annual report.

7. To act upon the report of the Trustees of the Charity Fund as read by Harvey L. Macaulay:

AUDITOR'S REPORT

*To the Trustees of the Charity Fund
Massachusetts Charitable Mechanic Association
20 Providence Street
Boston, Massachusetts:*

We have examined the financial transactions of the Charity Fund of the Massachusetts Charitable Mechanic Association for the year ended December 31, 1966. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Our report consists of the following financial statements:

Comparative Balance Sheet, December 31, 1966 and 1965

Comparative Statement of Receipts and Disbursements, Funds
Unrestricted as to Income, Years Ended December 31, 1966
and 1965

Investments, December 31, 1966

Charles R. McLean Fund, Recapitulation of Principal and Income,
Period, July 1916, to December 31, 1966.

In our opinion, the accompanying statements present fairly the financial position of the Charity Fund of the Massachusetts Charitable Mechanic Association at December 31, 1966, and the results of its operations and the changes in funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

8. To hear the report of the Planning Committee as read by Thomas Crowdis:

PLANNING COMMITTEE REPORT

The Planning Committee visited the Roxbury Y.M.C.A., South End Boys' Club, Franklin Technical School, School for Crippled Children, Perkins Institute for the Blind, Wentworth Institute and Thompson Academy resulting in the following recommendations being made to the Board of Government, that donations be given to the above except the Roxbury Y.M.C.A. in the amount totaling \$9,205.06.

Since the inception of the Planning Committee in 1959, the Association has expended the sum of \$75,575 in aid for mechanical equipment to schools in the Boston area.

PLANNING AND ACTIVITY COMMITTEE

The report was by vote unanimously accepted to be made a part of the annual records.

The President read the names of the members deceased since the last meeting:

Ira G. Hersey, building, died November 9, 1966, age 79 years, joined the Association in 1915 and served on the Board of Government, Committee on Relief and Finance Committee. Mr. Hersey was given a silver Paul Revere Bowl last year for being a member for fifty years.

Fred R. Small, building finish, died January 22, 1967, age 59 years, joined the Association in 1946 and served on the Committee of Relief for fourteen years.

The President asked the members to stand in a moment of silence as a tribute to their memory.

9. To hear the address of the President, Verdie A. Dodds:

To the Members of the
Massachusetts Charitable Mechanic Association:

At each annual meeting of the Association, the President is duty bound to prepare a report which is titled an address. Far be it from me

to be so presumptuous as to indicate, in any way, that these remarks should be so judged.

It is not necessary for me to enumerate in detail the various activities as these are reported by the Board of Government and the many Committees organized for their particular duty. All of these including the reports of the Secretary-Treasurer, Trustees of the Charity Fund and our Certified Public Accountants are a part of the annual report and a matter of record for your perusal.

The quarterly meetings have been well attended with on the average of fifty percent of the membership in attendance. These meetings furnish a medium by which not only the business of the Association is carried on but an opportunity for the membership to have lunch together and get better acquainted with men interested in the development of the mechanical arts.

The main purpose of the Association is to provide a medium by which the youth of today, who are interested in the mechanical arts, can receive the proper education.

A Relief Fund is also maintained from which, members or their families, because of circumstances beyond their control, needing financial assistance, aid may be obtained through the Committee on Relief.

To all those who are giving of their time and effort to maintain and accomplish these fine ideals, satisfaction and pleasure must be in their hearts and we are most grateful for their dedication and service.

As stated in a previous report of mine, the real power behind the throne which keeps the Association on schedule and in form is due to the excellent planning and efforts of Mr. George Laing and Miss Marjorie D. Horn. To them I extend my deepest heartfelt thanks for all of their assistance in my behalf.

This being the last year of my tenure of office, it is customary to hold the Triennial Banquet and Ladies Night. This event should take place sometime this fall. It is hoped that all of our members and their ladies will attend.

I am highly honored to have the privilege of presiding at this the 172nd Annual Meeting and I, again, want to express to the membership my deep appreciation for the opportunity to serve as its President. I wish you all a Happy and Prosperous New Year.

The President's address was greeted with a round of applause.

10. To act upon the report of the Committee on Nominations as read by Mr. Merton F. Dixon:

NOMINATIONS COMMITTEE REPORT

Boston, December 13, 1966

A meeting of the Committee on Nominations, elected at the quarterly meeting in October, was held this day in the Association Offices, 20 Providence Street, Room 473.

NECROLOGY

CLYDE ALBERT TYLER

Born January 30, 1894 in Lynn, Massachusetts, died February 26, 1966, in Rockland, Maine after a short period of retirement. Mr. Tyler joined the Association in 1948 as a master printer and owner of his own printing business.

Always an active and interested member, he served on the Committee on Relief from 1954 to the time of his retirement in 1961. His wife Emilie M. (Moon) and a daughter Eunice survive.

WILLIAM FRANK DODGE

Mr. Dodge, who had been a member of the Association since 1926, died April 1st at the age of 92.

Joining as a manufacturer, he was, because of his advanced years, not too well known by the majority of our members and we are lacking details of his family life.

ALBERT M. KREIDER

A well known architect residing in Newton, Massachusetts, Mr. Kreider had been an enthusiastic and interested member since 1953. An active member of the Committee on Relief from 1957, he died after a short illness on April 13th at the age of 75.

His wife Bessie A. (Gardiner) and a son and daughter survive.

IRA G. HERSEY, JR.

Born in Boston and raised in Hingham, graduated from the Massachusetts Institute of Technology, Mr. Hersey had a long and active career. Working after graduation with the Erie Railroad he subsequently joined his father in the Ira G. Hersey & Sons construction firm.

He became a construction consultant for the Home Savings Bank for twenty-four years and served as president of the Pioneer Co-operative Bank, chairman of the board of the Hingham Mutual Fire Insurance Company and president of the Master Builders Association. During the year, Mr. Hersey was honored by the Association on the occasion of his becoming fifty years a member at which time his record of six years on the Board of Government, six years on the Committee on Relief, four years on the Committee on Education and two years on the Finance Committee in addition to being a son of a past president of the Association were recounted to the members.

Mr. Hersey died November 9th at the age of 79 and is survived by two daughters.

ALBERT GOODWIN FERGUSON

A native of Vassalboro, Maine, Mr. Ferguson came to Boston early in his life and eventually engaged in the manufacture of heating specialties as vice-president of Anderson Products Inc.

He became a member in 1941 and died August 17th at the age of 80. There are no known survivors.

SAMUEL ERNEST CUTLER, JR.

Mr. Cutler, whose father was also a member, was born in Somerville on June 12, 1892. After attending the public schools he graduated from Dartmouth in 1916 and served with the U. S. Navy in 1917-1919. Treasurer of the Hancock Paint & Varnish Company, North Quincy, Mass., he died in July at the age of 73. His wife Ella (Knight), two sons and a daughter survive.

ALBERT N. MURRAY

The son of Albert and Euphemia (MacNeil) Murray, Mr. Murray was born September 26, 1873 at Rockport, Massachusetts. He died July 2nd in Largo, Florida, where he had lived for fourteen years.

Founder of the Murray Printing Company, Forge Village, Mass., he was a man of wide interests, charter member of the Boston Chamber of Commerce; past-president of the Associated Industries of Massachusetts; past-president of the Suffolk Cooperative Bank of Boston; director of the Harvard Trust Company of Cambridge to name just a few.

He leaves his wife Irene (Haynes) Murray, a son Albert C. of Chelmsford, Mass., three grandsons and four great-grandsons.

Mr. Murray joined our Association in 1941.

HENRY NEWTON MARSHALL

Mr. Marshall, a retired painting contractor, died at Ormond Beach, Florida at the age of 93. He was born in Shirley, Kansas, the son of William Henry Marshall and Ruhannah (Walker) Marshall.

Starting in business for himself at sixteen, he built an excellent reputation in his field and had such work as the then new Copley Plaza Hotel, buildings at Princeton University, Williams and Dartmouth Colleges, the Pacific Mills, the Royal Canadian Bank at Montreal and many more.

He was proposed for membership by Ira G. Hersey in 1907. At the time of his death, he held the longest membership in the Association.

RALPH FLETCHER BARBER

Mr. Barber, who died May 21st at the age of 75, had his business, Chandler & Barber Co., for many years in Mechanic's Building and was well known and highly respected by the building staff and Association members who over the years met him in business and at our meetings.

His application for membership in 1921 listed him as "Hardware Merchant" and so he was until his death. A very active member until illness curtailed many of his outside activities, he served on the Committee on Relief 1928-1933, the Board of Government 1934-1939, Finance Committee 1938-1939, Committee on Building 1934-1937 and Assistant Secretary-Treasurer 1941-1946.

He is survived by his son Norman F. who is also a third generation member of the Association.

MERTON PARKER ELLIS

Joining in 1928, Mr. Ellis served the Association in all but five years until his death in August at the age of 82. His longest service was on the Committee on Relief which he served for twenty-six years and for which the Association honored him for his twenty-five years as chairman. He served on the Board of Government 1932-1937 and the Committee on Education 1932-1937.

Mr. Ellis was born in Worcester, Massachusetts, June 4, 1883, moving to Boston at an early age. He attended the Farm and Trades School which he subsequently served for many years as director and secretary. Entering the contracting business his medallion became well known on Boston's sidewalks, many of which he built. He also served on the Boston Building Appeals Board for twenty years. He found time to be active in Masonic Organizations, Dorchester Savings Bank as director and a number of building groups.

His wife Mabel (Lovett) and a brother Howard B. of Milton survive.
